AWARDS

This Show is co-sponsored by the Missouri Department of Agriculture and the Four State Shorthorn Association, with the Joplin Chamber of Commerce cooperating.

The Joplin Chamber of Commerce is offering a silver trophy for the best pair to be made up of one of each sex, bred and owned by the consignor. This is a traveling trophy to be won three times for permanent possession.

The 4-State Shorthorn Association, to encourage the improvement of quality of livestock in the Four State Area, is providing a premium of \$25.00 each for the Champion Bull and the Champion Female.

The Missouri Department of Agriculture is providing ribbons and premiums as follows:

Superior — Blue \$10.00 (Top 15% of Breed)

Good — Red \$5.00 (Next 35% of Breed)

Those animals having performance records conforming with the following standards will be eligible for double premium monies.

JOPLIN STOCKYARDS
JOPLIN, MISSOURI 64801

Dear Shorthorn Friend:

These are indeed tumultuous times!

Milking Shorthorns, so painfully separated from the Association not so many years ago, are being considered for readmission to regain size. Show ring type has changed so radically that old established herds have suddenly found themselves passe. The Shorthorn World, for many years the news and advertising medium of the breed, has ceased publication. Familiar faces have suddenly disappeared from the Association scene. We are all asking ourselves, "Where do we go from here?"

The experienced cattleman knows that the entire livestock industry is keyed to a 1,050 pound carcass, competitively produced, that will grade choice. During the confusion they will be assembling the kind of cattle that will do just that and they will still be around long after the post-mortems have been held.

We are beginning to see signs that the cattle business will make a quicker recovery than has been predicted or expected. It just could be that this spring will see the end of the bargain sales. Join us for our Twelfth Edition of our Spring Show and Sale in this most fascinating business in the world. You just might come out the winner.

Yours truly,

Allen McReynolds
Sale Manager

Standard Guarantee

Endorsed by

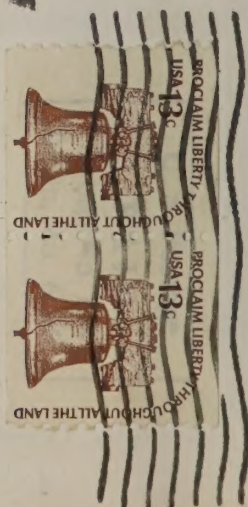

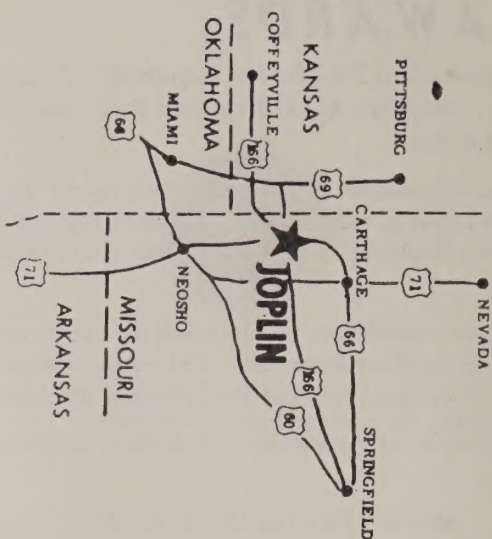

AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It will be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. In the event the animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
6. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
8. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
